Dear Ian

## THANK YOU

On behalf of all of us at Birmingham Children's Hospital and in particular our Cancer Unit, thank you so much for the fabulous donation of £26,000.00 towards the refurbishment of the Play Area in Oncology Outpatients.

When we launched the Cancer Appeal back in July 2012, our vision was to dramatically improve the facilities for children suffering from cancer and to provide an environment that matches the world class care being provided by our dedicated doctors and nurses. The support of Brown Dog will undoubtedly enable us to turn these plans into reality.

We will of course keep you updated with developments and look forward to welcoming you all back to the official opening of the new Unit, to show you what a difference your support has made to our young patients and their families whose lives have been affected by Cancer.

Finally, on a personal note, I would like to send my heartfelt thanks to you all, you've been an absolute delight to work with and I can honestly say that I have never worked with a more dedicated, enthusiastic group of fundraisers in all my 16 years at BCH!

With kindest regards
